Note: As I am sure you are aware, the Government has high expectations for local authorities and schools to deliver quality education to the nation's children and it is therefore of the utmost importance that all children attend school regularly and punctually.

Parents/carers are expected to exercise their judgement on whether their child is fit to attend school if there are signs and symptoms of illness.
Medical appointments can be authorised.

For any other reason Schools will not grant Leave of Absence during term time unless there are exceptional circumstances.

Where Leave of Absence is requested a Leave of Absence Form must be completed at least two weeks before the date of absence.
Forms must also be completed on the day if you are taking a child out for an appointment.
